# Dry Iron

## NI-27AWTSG

- 1000W Swivel Corded Dry Iron
- Grooved Base edge and iron tip for every area
- Heat Insulation protection between sole plate and iron
- Thermal fuse and short circuit protection system

## NI-100DXWSG

- 1000W Cordless Dry Iron
- Non-Stick Silver soleplate finish

## NI-317TVSG

- 1000W Swivel Corded Dry Iron
- Non-Stick coating

# Steam Iron

## NI-WL35PNSH / NI-WL55KSH

- 360° Free Style Ironing with Cordless and Multi-direction Soleplate
- Vertical Steam Shot for Quick and Easy Care
- Ceramic Coated Soleplate for Smooth Glide Performance
- Quick Set-up with Detachable Water Tank
- Exclusive for NI-WL55KSH: Carrying Case to handle while hot

## NI-S430GSH / NI-S530ASH

- Wattage: 2300W (NI-S430GSH) 2400W (NI-S530ASH)  
Water Capacity: 300mL
- U-Shaped groove for powerful steam from the entire soleplate
- Quick wrinkle removal with Power and Vertical Shot
- Smooth, stable glide with ergonomic grip and low-height design
- Durable, smooth sliding silver titanium soleplate

## NI-250TGSG/TPSG / NI-M300TASG/TVSG

- Wattage: 1550W (NI-250TGSG/TPSG) 1800W (NI-M300TASG/TVSG)
- Titanium Coated Soleplate for tough and smooth ironing
- Power or Vertical shot for versatile steaming
- Intergrated Anti-Calc system for easy maintenance

# Garment Steamer

## NI-GWG090GSD

- 50g/m of continuous powerful steam with 3 steam settings for different fabrics
- Detachable 3 Litre tank for easy refilling and maintenance
- Expandable Hanger for different sizes of clothes
- Ready for use in 30 seconds
- Horizontal or Vertical ironing with wheels for mobility

## NI-GHF025WSK

- 1300W 600G Portable Garment Steamer
- Starts up in 30 seconds
- 2 methods of ironing, Dry and Steam, which can be done hanging or flat
- Steams away 99.99% of mites and bacteria'
- Easy to remove and refill water tank

## NI-GSG060WSD

- 1.5 Times wider steam head for easy ironing
- 40 g/m of continuous powerful steam
- Ready to use in 40 seconds
- Adjustable Steam Setting and pole for all types of clothes and fabrics
- Heat-Resistant glove for extra protection

# Tank Vacuum Cleaner

## MC-YL631R146/ MC-YL635T146

- Input Power: 1700W (MC-YL631R146) 2200W (MC-YL635T146)  
Dust Capacity: 16L (MC-YL631R146) 21L (MC-YL635T146)
- 8m Power Cord with On/Off Switch
- 3mm Tough Body Ditch with Anti-Bacterial Filter
- Accessories: 2 Metallic Wands  
2-Step Floor Nozzle

# Bagless Vacuum Cleaner

## MC-CL601A146

- Input Power: 1600W  
Dust Capacity: 2.2 Litres
- Easy to handle with Big Rollers, Dust Handle, Removable Dust Box and Light Weight Floor Nozzle
- 5 layer filtration system with washable dust box and filter
- Accessories: Dusting Brush  
Crevice Nozzle

## MC-CL603G146

- Input Power: 1800W  
Dust Capacity: 2.2 Litres
- Easy to handle with Big Rollers, Dust Handle and Removable Dust Box
- 2-Step Nozzle for different floor surfaces
- 6 Layer HEPA Filtration system with washable dust box and filter
- Accessories: Dusting Brush  
Crevice Nozzle

## MC-CL605K146

- Input Power: 2000W  
Dust Capacity: 2.2 Litres
- Easy to handle with Big Rollers, Dust Handle, Removable Dust Box, Telescopic Wand and Ergonomic Handle
- 6 Layer HEPA filtration system with washable dust box and filter
- Accessories: Curtain Nozzle  
Crevice Nozzle  
Flexi Dusting Brush

# Bagged Vacuum Cleaner

## MC-CG240D146

- Power Consumption: 850W  
Suction Power: 250W
- 5m long cable
- Light weight with large handle for easy carrying
- Stylish Diamond Cut Design
- Power Saving design with higher-power suction motor

## MC-CG370G146

- Power Consumption: 850W  
Suction Power 250W
- 5m long cable
- Light Weight with large handle for easy transport
- Stylish Diamond Cut Design
- Accessories: 2 plastic extension wands

## MC-CG371A146

- Power Consumption: 1600W  
Suction Power: 290W
- Light Weight with large handle for easy transport
- Stylish Diamond Cut Design
- Attachments: Crevice brush

## MC-CG521R149

- Power Consumption: 1400W  
Suction Power: 400W
- 4 Litre large dust capacity
- 8m long reach

# Laundry Machine

## NA-F100A9BRG

- Load and Washing Capacity: 10 KG
- Remove stains with StainMaster and ActiveFoam
- Odour/Aroma+\_makes your laundry smell good all day
- Top loader with a tempered glass lid that can withstand up to 60KG loads
- Wide Tub for easy loading and unloading of big goods and buttons placed at the back of the machine for easy operation without bending down

## NA-F13AR1HRG

- Load and Washing Capacity: 13.5 KG
- Remove stains with StainMaster and ActiveFoam
- Water Bazooka powered by Inverter for powerful wash and rinse
- Top loader with a tempered glass lid that can withstand up to 60KG loads
- Wide Tub for easy loading and unloading of big goods and buttons placed at the back of the machine for easy operation without bending down

## NA-FG145XBG

- Load and Washing Capacity: 14.5 KG
- Remove stains with StainMaster and ActiveFoam
- Odour/Aroma+ makes your laundry smell good all day
- Water Bazooka powered by Inverter for powerful wash and rinse
- Top loader with a tempered glass lid that can withstand up to 60KG loads
- Wide Tub for easy loading and unloading of big goods and buttons placed at the back of the machine for easy operation without bending down

## NA-FD16V1BRG/ NA-FD165V3BG

- Load and Washing Capacity: 16 KG (NA-FD16V1BRG)  
16.5 KG (NA-FD165V3BG)
- StainMaster+ and ActiveFoam removes 99.99% of bacteria, allergens and stains.
- Water Bazooka powered by Inverter for powerful wash and rinse
- Save water and energy with ECONAVI
- Top loader with a tempered glass lid that can withstand up to 60KG loads
- Wide Tub for easy loading and unloading of big goods and buttons placed at the back of the machine for easy operation without bending down

## NA-F75S7HRG

- Load and Washing Capacity: 7.5 KG
- Excellent Washing Performance with Dancing Water Flow
- Water Save Course: Efficient rinsing with less water
- Energy Save (Speedy): Reduce electric consumption with less washing and spinning time
- Easy to use control panel that anybody can operate from day 1

## NA-W85XG2BSG

- Load and Washing Capacity: 8.5 KG  
Spin Capacity: 5 KG
- Versatile Washing Programmes for different loads and fabrics
- Strong wash and scrub thanks to the 6 fin pulsators
- Super Air Dry system speeds up drying and removes dampness from clothes after spinning
- Wide tub opening to make it easier to load and unload bulky items
- Rustproof body built to last
